Organisers Comments

Some archers attending an archery tournament may not be aware of the amount of effort that is involved by the Tournament Organiser, the host club and helpers. Without the help of county members such a day as this would not be able to take place. Many thanks to the sprinkling of county archers who helped to set up the field on Saturday afternoon and to all those individuals who on the day helped to keep things running smoothly. Many thanks to the county archers who assisted during the day to move the bosses and at the end of the day helped to clear the field.

I heartily thank the Bowmen of Glen for their assistance during the day and especially the ladies in the kitchen who did a splendid job, thank you.

Producing the results can be a tedious task, many thanks to Mr Bob Tonkin and his team of helpers for making it appear so simple and for producing the results so quickly.

For me, this was my first tournament as Tournament Organiser for the County, I would like to thank all those who have helped me and those who have given most valuable advice, especially Pam and Bob Tonkin whose vast experience has proved to be most useful.
