### **6 Gold End**

Ed Kearse	Colchester & District AC
-----------	--------------------------

Numbers were down somewhat on last year, but this made for a relaxing shoot for all concerned. With sunny and warm conditions, many archers hoped for a successful day's shooting. This turned out to be the case, as we had a claim for a European and World record for Tom Firth, of Clophill Archers. Thirteen archers have claimed target awards and one has claimed a 6 Gold End. The Veteran's Award this year went to Steve Nunn.

Our Lady Paramount for the day was Liz West, the EMAS secretary, who kindly also provided lady and gent prizes. These went to Pauline Pringle and Stuart Tongue.

Many thanks to Liz West for agreeing to be our Lady Paramount for the day, to the judges for their efficient work and to all members of Kirby Muxloe Archery Club, including several juniors, who came along to work as members of the field party, the scoring team and the catering team. We look forward to seeing everyone again at our shoots in the future.
