Today's shoot was a very successful day for many of the archers: there were 15 target awards claimed. The highlight was Nicky Hunt from Deben AC in Suffolk, beating the national and european record and equalling the world record for her score of 701 in the Senior Ladies Compound competition. Many congratulations to her!

We welcomed many familiar faces to our shoot, plus new people from as far afield as the Isle of Man, Devon, Wales and Yorkshire. We hope you all enjoyed our shoot and to welcoming you again.

Many thanks to our Lady Paramount, Peggy Taylor, and gentleman Patron, Dennis Taylor, who shot for about 25 years from the late 1960's to the mid 1990's. They were with us for the whole day, enjoying the shooting (and the weather!) and catching up with familiar faces from their past. They graciously provided 4 prizes for hidden scores- these were won by Sam Perkins, Nick Everitt, Patricia Kerrigan and Alex Stuart.

Thank you once again to the judges who provided clear and helpful assistance during the day and finally to the members of the field party, scoring duo and catering team who ensured the day ran as smoothly as possible.
