This FITA was the first tournament for us in 2009. It was lovely to see lots of new faces as well as many familiar archers who have attended our tournaments for many years. The senior gents recurve competition was very interesting, as the lead kept swapping during the course of the day. At the end, the first 3 places were only 4 points apart, and second and third were only divided by the number of golds.

Many thanks to all the judges, the field party and everyone involved for running a successful and efficient tournament.

Don't forget that we have a Double Fita 70m on May 4th - we still have places available and our weekend tournament in August. We look forward to seeing you then.

Best Wishes
