---------------	----------------

After a slightly late start, due to some technical problems, our first tournament of 2010 began with a virtually full complement of archers, shooting the Gents and Ladies FITA, including all the junior distances through to Metric 5. Two archers had a very successful day, gaining National records: Robert Gray for a Metric 3 with 1365 points and Simon Terry for a Gents FITA with 1360 points.

Many thanks to all the judges, the field party and everyone involved for running a hectic, but ultimately successful day

Many congratulations to Adam Guest who was candidate judge on the day, but passed his exams to become a fully qualified judge.

Don't forget that we have a Double FITA 70m on May 3th - we still have places available and also for our tournament in August. Entry forms are on our website, or via e-mail. We look forward to seeing you then.

Best Wishes
