

## L&R 300 Final Results & Competition Notes (2017-18)

Can I begin by thanking all the club representatives for their work in collecting the relevant scores and submitting them to me, this has allowed me to compile the monthly results in good time and get them published on the county website.

The final results of the competition have been produced separately.

This season's competition was a very close run affair with the final positions for both the Ladies Recurve and the Gents Compound being decided by the number of 10s/5s scored. Well done to everyone

Below is a summary of those results.

Medals are only issued to archers who shot at least 3 out of the 5 monthly rounds. All medals will be presented at the county awards evening later in the year.

Have a good outdoor season.
