

L&R 300 Final Results & Competition Notes (2018-19)

Can I begin by thanking all the club representatives for their work in collecting the relevant scores and submitting them to me, this has allowed me to compile the monthly results in good time and get them published on the county website.

The final results of the competition have been produced separately.

This season's competition was a very close run affair with the final positions for the Junior Boys Recurve and second place for the Junior Girl Recurve being decided by the number of 10s/5s scored.

In the senior competition, first and second place in the Gents Recurve was separated by just 1 point!

Well done to everyone who took part

Below is a summary of those results.

Medals are only issued to archers who shot at least 3 out of the 5 monthly rounds. All medals will be issued to Club Reps. at the County Meeting .

Have a good outdoor season.

Mick Shaw (L&R300 Tournament Organiser)
