### TOURNAMENT ORGANISER'S THANKS AND AN APOLOGY

At 6:45am on a Sunday morning, you appreciate what fellow archers will do to help put on a shoot. And it is often the same people who are putting the equipment away at 6:45 pm on a Sunday evening. To those archers in particular, and also to everyone who assisted during the day, we extend our grateful thanks.

Sorry it was so cold. Some comments were made about the circulation of air, so we arranged for the fans to be turned off. This was a mistake, because the hall then got colder. We will do our best to get the heating on earlier next year, and keep it on all the time.
