### Organisers Remarks

Firstly I hope you all enjoyed the competition. I do apologise to those who found the hall rather cold, or were disturbed by the quality of target illumination. These are factors that we will once again take up with the sports hall management.

I would like to thank all those who helped to set up early in the morning, and clear away at the end. Particular thanks go to the Judges who went beyond the call of duty to help on the floor; to Mike Spouge who, as well as everything else, undertook the task of changing faces throughout the three sessions; to Liz Clark-Lewis who was available all day to book people in and organise the raffle; and to Bob Tonkin for the provision and operation of his excellent scoring system.

Finally, a big thankyou to Quicks the Archery Specialists who provided the target faces, and to all who brought raffle prizes along.
